

The Ailsa Craig Community Quilt Festival is a not-for-profit community organization run by volunteers. Our intention is to quilt our local and international communities together through a shared appreciation for this ancient craft and beautiful fibre art technique.

Our activities include sponsoring local and international Quilt Shows, and events related to promoting community cohesiveness using the Quilt as our symbolic and literal guide.

Le Festival Courtepointe d'Ailsa Craig est une association sans but lucratif, géré par des bénévoles. Nous désirons unir nos communautés locales et internationales ainsi que par une appréciation commune de ce métier ancestral et belle technique de l'art de la fibre.

Nous parrainons les expositions du courtepointe local et international, et aussi les événements liés à la promotion de la cohésion communautaire en utilisant la courtepointe comme notre guide symbolique et littérale.
