

It's Easy!

Intuitive environment designed for anyone who has only used paper, pencil and the Internet.

Download the manual at www.EZLP.com for answers to frequently asked questions, setup tips and tricks.

It's Secure!

Unlike other web-based lesson planners and class management tools, with EZ Lesson Planning™ **all confidential student information** is kept safely on YOUR OWN computer.

It's Flexible!

Designed to help you meet your Principal's need for a uniform layout. **Resize and rename the text blocks** to look like your school's Lesson Planning forms.

ACTIVATE YOUR FREE TRIAL TODAY. DON'T WAIT!

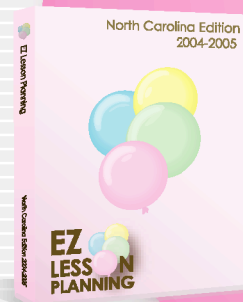

The Halloween Trial Offer is available only until September 18, so start today. After 9/18, you can still try this Tool for 30 days absolutely free by clicking on the "30 Day Trial" button at www.EZLP.com. You can purchase a Full-Year license any time during or after the Trial Period.

What happens to all my Lesson Plans and Student Records after the Trial?

All the information you enter into the Trial program is stored **on your computer**. When you purchase the Full-Year program, your records and information automatically transfer over.

Any difference between the Trial and Full-Year programs?

Yes! The Trial program contains most of the features of the Full-Year program, and it contains only part of the resources offered in the Full-Year program.
