

MOST IMPORTANT BENEFITS:

The understanding of how the brain & body react to incoming information is the first step to more power over your attention, thoughts, feelings, and DNA.

The full adoption of each new tool will be the next step in improving the quality of your thoughts (waves of light) and the intonation of your voice (waves of sound).

This will speed up the weakening and removal of all three components of your obstacles and pains and give you more energy in your daily activities.

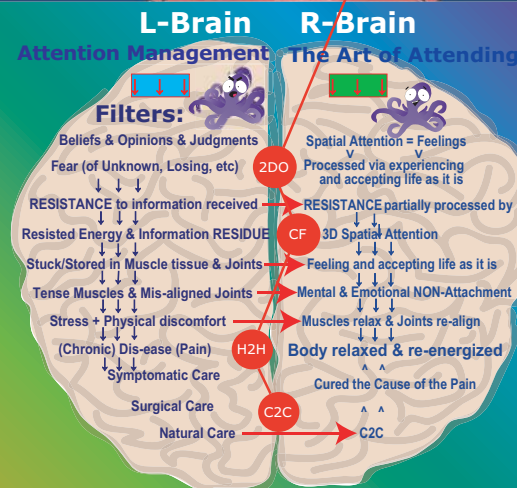

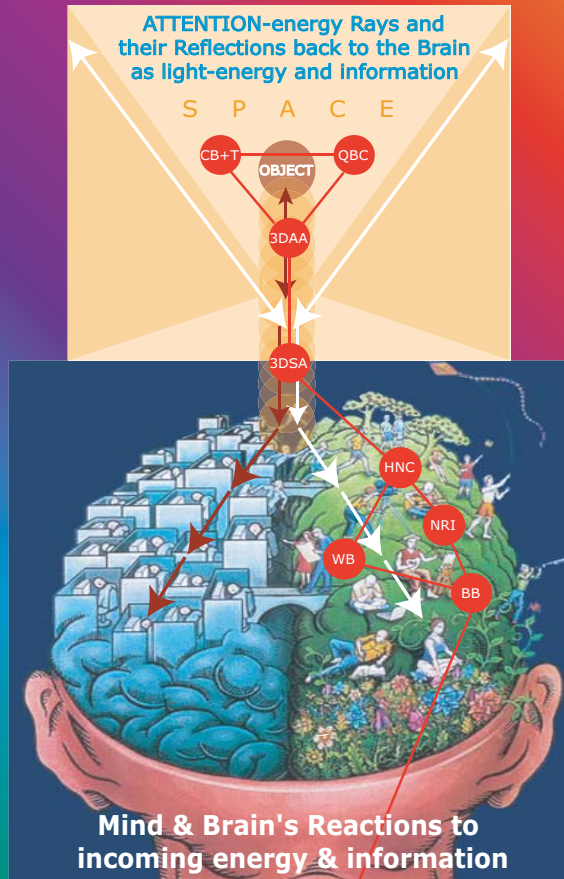

Risk-Free Satisfaction Guarantee

If you are unable to attend for any reason, you may have someone substitute for your participation in the event. Call us at least 7 days prior to the event to transfer your enrollment. A \$60 administration fee will apply. Transferred and complimentary tickets are not eligible for a refund.

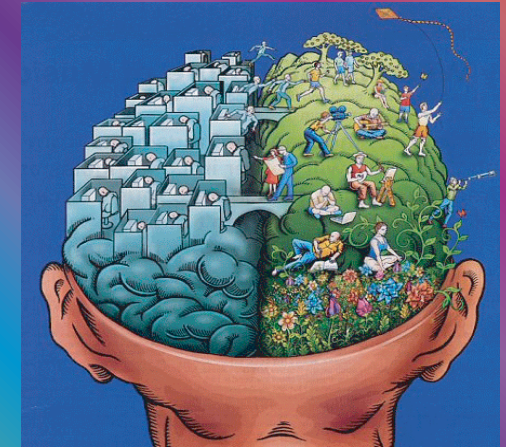

If you are unable to attend and do not wish to substitute, contact Customer Care. We will convert your enrollment to a non-refundable credit that you may apply toward any future event of ours for up to one full year from your original event date. Some restrictions may apply.

If you have fully participated in a weekend event up to the Sunday lunch break, and still have not noticed any change in yourself, ask one of our coaches for help.

If their help does not lead to such a change, you can ask for a refund. Refunds are only authorized at the event. At your option, we will apply your payment to any other event of ours, or send you a full refund.
