

You're invited to join our volunteers, friends and neighbours in welcoming an international delegation of Dutch quilters, special guests and a stunning array of over 130 quilts.

On May 7, 2pm, you're invited to Know the Netherlands at a presentation and reception in Ye Olde Towne Hall for the Deputy Consul General and the Consul of the Netherlands.

On May 22, you're invited to participate in a Town-wide Quilt Airing. Unpack some of your family treasures and hang them out as a welcome-gesture to our Dutch guests. Stroll the town, socialize with our friends and neighbours, and admire the wealth of local heirlooms.

Afterward, bring a dish to the Welcome Potluck Supper and meet the Dutch artisans who will be part of our community for the Festival Week.

A slate of Dutch-led quilting workshops offers something for quilters of all skill levels. Call or visit the website to sign up for one today. This is a once-in-a-lifetime opportunity to learn from Dutch masters, and spaces are limited.

You're encouraged to fly the Dutch Welcome Flag in your front window as a sign of greeting to our visitors and guests.

Get involved with our corps of volunteers and have fun Quilting Our Community!
